

Monday 1st December, 7.30pm
@ Hackney Attic

SPARK LONDON

*Storytelling fundraiser to celebrate 40 years of
Mind in Haringey*

Theme: 'Mental Health'

A night of true stories, open to all. Get in touch now if you have a story to tell about your own experiences with mental health, or in working or caring for others. We can help you develop and practise your story in advance. We will also open the floor for open mic stories on the night. All are welcome to sit back and listen, or tell a personal story.

7.30pm | £7
